 Vols saber a quines zones estan florint els arbres fruiters? Busca-ho a través del **mapa de cultius**. Una eina que et permet saber quins **cultius** hi ha plantats a **#Catalunya**
 Si utilitzes el mòbil, et pots geoposicionar

 Benvinguda primavera!
 Ara és quan el cep comença a mostrar els primers signes de creixement. Apareixen els borrons i, de cada un d'ells, creixerà un sarment amb diverses fulles. Dia a dia, la vinya s'anirà omplint de verd.
