

INSPIRE MIWP 2020-2024

Action 2.1 Need-driven data prioritisation

Stefan Jensen, EEA
Darja Lihteneger, EEA
Joeri Robbrecht, EC DG ENV

- Action 2.1 status presented in the INSPIRE MIG 15, 31.03.2022
- Next steps

Next steps

- **Initial meeting in April 2021**
bringing together Commission and Member State activities on
 - ✓ Priority datasets for eReporting (PDS) (ENV/EEA)
 - ✓ High Value Datasets (DG CONNECT)
 - ✓ Core Data (Eurostat)
 - ✓ IACS/LPIS data (DG AGRI)
- **Next meeting after adoption of the HVD regulation (expected mid 2022)**

Potential additional discussion topics

- **Managing Q/A**
- **Update process for INSPIRE PDS**
 - Versioning
 - Updating description
 - To better align with changes in reporting obligations (e.g. EU-Registry on industrial sites and E-PRTR and LCP integrated data reporting)
 - Extending PDS
 - Alignment with the INSPIRE priority datasets keywords,
<https://inspire.ec.europa.eu/metadata-codelist/PriorityDataset>
- **Synergies with Action 2.2**

Thank you !
