**Release date** 6 January 2022

In this eSubmission release, we introduce – in the system requirements section - an improved display of the accepted file formats for attached documents.

If you are invited to submit a tender in the second step of a restricted procedure / design contest or in any subsequent round of a negotiated procedure, you will first need to acknowledge that you have received the invitation to tender before starting your submission.

## Improved display of system requirements

In the eSubmission application, you will find an **improved display** of the **accepted file formats for attached documents**. In the system requirements screen, you will see more clearly which file formats are accepted for all file types, as well as the file formats only accepted for specific file types.

## Acknowledgement of receipt of the invitation to tender

To be able to submit a tender in the second step of restricted procedures / design contests or any subsequent round of negotiated procedures, you will need first to **acknowledge the receipt of the invitation**.

In the **Funding & Tender opportunities portal**, look up the invitation in “My Invitations” section. Open the “Actions” menu next to the invitation and click on “Acknowledge Receipt”. You will then be redirected to **eSubmission**, where you will be able to start your submission. You can of course decide to start your submission at a later time.

The screenshot shows the 'Funding & tender opportunities' portal. The header includes the European Commission logo and the text 'Single Electronic Data Interchange Area (SEDIA)'. The user is identified as 'Welcome Sarah NEUKERMANS (neukesa)'. The main navigation bar contains 'Manage my area', 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE', 'PROJECTS & RESULTS', 'WORK AS AN EXPERT', and 'SUPPORT'. The left sidebar lists 'My Person Profile', 'My Organisation(s)', 'Procurement', 'My Submission(s)', 'My Invitation(s)', and 'My Formal Notification(s)'. The main content area is titled 'My Invitation(s)' and shows '23 items found'. A search bar and 'Sort by' dropdown are present. The table below lists two invitations:

An 'Action' menu is highlighted with a red box, containing 'Acknowledge Receipt' and 'Manage Roles'.
