

### **Use of F&T Portal for negotiated procedures**

The eSubmission [Quick Guides for negotiated procedures and competitive procedures with negotiation without publication](#), both for initial and subsequent round(s), have been adapted to reflect the use of the [Funding and Tenders \(F&T\) portal](#) for newly launched procedures of these types (instead of TED eTendering which is in the process of being phased out).

The updated version is currently available only in English (translations are underway).

### **Use of F&T Portal for to express interest in planned low/middle value negotiated procedures**

Economic operators can express their interest in planned low/ middle value negotiated procedures published on F&T Portal via a (simplified) eSubmission version.

The user guidance is under preparation and can be consulted [here](#).
