Release date 19.5.2022

More than one declaration on honour documents can be uploaded for one involved entity

During the request to participate/ tender submission, it is now possible to upload more than one declaration on honour document for an involved entity (sole tenderer, group member, group leader, subcontractor).

This can be useful for cases where the declaration has to be co-signed by two or more persons authorised to represent the entity and the signatures are not applied on the same document.
