

Funding & Tenders Portal release 20210226

26.02.2021 (Funding & Tenders Portal SEDIA V3.8.0)

SEDIA V3.8.0 is scheduled for release on 26 February 2021, in order to apply the following improvements:

- New layout for the **My Invitation(s)** and **My Submission(s)** tabs of the Procurement section in the Manage My Area menu:

The screenshot displays the 'My Invitation(s)' page. The header includes the European Commission logo and the text 'Funding & tender opportunities'. The main content area shows a list of procurement items. The first item is 'AUDIF-2018-4318' with a deadline of '04/12/2019 14:00:32 UTC+01:00'. Below this, there is a table of submissions with columns for 'Submission ID' and 'Date of last action'. The table contains four rows of submitted items, each with an 'Action' button. The second item is 'SIEA-2018-4125' with a deadline of '24/10/2019 16:17:00 UTC+02:00' and one submission.

The screenshot displays the 'My Submission(s)' page. The header includes the text 'My Submission(s)'. The main content area shows a list of submitted items. The first item is '5105 CFT Documentation team' with a submission ID of '300008381' and a deadline of '02/12/2019 11:37:59 UTC+01:00'. The second item is 'UTC time offset testing' with a deadline of '11/10/2019 16:17:00 UTC+02:00'. Each item has a 'Submitted' status and an 'Action' button.
