

# PRIME 9

17 November Brussels

## Feedback from PRIME –ENRRB Dialogue

## Topcis

- RNE project on redesign of the international timetabling
- Practice on cross-border coordination of infrastructure works
- Draft implementing act on access to services and service facilities
- Synergies in market monitoring activities
- Methods for traffic estimates, while determining TACs

## Follow up

- Third PRIME-ENRRB meeting to be held in autumn 2017, hosted by an IM
- Joint workshop on track access charges in early 2017 , hosted by EC
- Annual RNE-ENRRB meeting in spring 2017, hosted by RNE
- EC will organise follow-up on questions concerning market-monitoring with representatives of PRIME and regulatory bodies (IRG-Rail WG chair)
