

PRIME Meeting no 7
19th of November 2015, Brussels
Annex 8c
Debriefing:
RU Dialogue, 1st Plenary Meeting
Brussels, 13.10.2015

- For Information and Discussion -

The first plenary meeting of the RU Dialogue on 13.10.2015 was attended by more than 40 participants from RUs and associations representing RUs.

The following issues were discussed:

- Market-oriented infrastructure management (Transparency of cost structure; quality)
- Implementing act on Access to service facilities
- Digital Railways
- International issues (International passenger transport and freight corridors)
- Noise
- Key Performance Indicators
- Progress on elimination of national rules
- ERTMS funding and financing
- Rail Security

Five subgroups were set up covering the following issues:

- Implementing act on access to service facilities
- Digital Railways
- International passenger transport
- International freight transport
- KPIs

On a number of topics, such as identification of infrastructure investment priorities, digitalisation, cross-border cooperation for passenger and freight traffic, KPIs for customer satisfaction and promotion of rail freight, RUs expressed a wish for joint meetings with PRIME.

The Dialogue would be held twice per year, with the next meeting planned for 10 May 2016.
