

PRIME Meeting no 11

16th of November 2017, Brussels, BE

Annex to item 5 – Subgroups and meetings – feedback and plans PRIME Regulators Cooperation Platform

Subgroup chair: Mirosław Kanclerz (PKP PLK)

- For Information –

The 3rd PRIME-ENRRB Cooperation Platform plenary meeting was held on 12 October 2017 in Warsaw, hosted by PKP PLK. In the meeting, chaired by the Commission, participated representatives of:

- infrastructure managers: Infrabel, LG, PKP PLK, ProRail, RFI, SNCF Réseau, LatRailNet
- Associations: EIM, RNE
- Regulatory bodies from: AT, BE, CZ, FR, DE, EL, LV, LT, NO, PL, SI, UK.

During the meeting the following topics were discussed:

- Harmonisation of Corridor Information Document (RFC Regulation)
- Congested infrastructure and utilisation of congestion/scarcity charges
- Handling of non-RU applicants
- Framework capacity statement (IA on Framework Agreements)
- Case Rastatt
- The new German railway legislation EregG affecting the PaPs construction
- Availability of Radio Spectrum for Railways

The fourth PRIME-ENRRB Cooperation Platform plenary meeting was agreed to be held in autumn 2018, to be hosted by a regulatory body. In addition, an annual RNE-ENRRB meeting (hosted by RNE) will take place in the first half of 2018. Mirosław Kanclerz has been reappointed as an Industry Chair for a one year term.
