

e-Calls PROSPECT

Announcement:

From the 1st of June 2022, users will have to use EU Login 2-factor verification to access e-Calls PROSPECT and e-Calls PADOR. EU Login is the European Commission's user authentication service. The EU Login authentication, composed of an e-mail address and a password, allows authorised users to access a wide range of Commission web services through a variety of verification methods. We encourage you to download the EU Login app from your mobile phone's app store to use as a verification method, and confirm validation requests via a PIN code, face ID, QR code, etc. You can [login or create your EU Login account](#) now. Please view the [EU Login Guide](#) for more information, or if you need help, please contact [INTPA SUPPORT SERVICES](#).

What is e-Calls PROSPECT?

e-Calls PROSPECT is an electronic system developed for **the management of calls for proposals in the field of external action**. e-Calls PROSPECT allows applicants to submit their proposals online, follow up the status of their application in real time, and receive the evaluation results instantly online! Applicants also receive automatic notifications when new documents (Clarifications, Corrigendum, etc.) are published for their call.
