

Citizens

Citizens for pollinator conservation

Full guidance ([EN](#), [FR](#), [DE](#))

Factsheet ([EN](#), [FR](#), [DE](#))

Member States and Local Authorities across the EU are developing their strategies to tackle pollinator decline. If your Member State or local area does not have a strategy, you can use these templates to develop ideas and send them to your local and national politicians.

- [Local Authority Pollinator Strategy Template](#)
- [Member State Pollinator Strategy Template](#)

Want to help scientists by monitoring pollinators? Watch how schoolkids in Cyprus are doing that!
