VET and Green

Working Group on Vocational Education and Training and the Green Transition

The main objective of this working group is to enable technical exchanges, which helps Member States implement the principles and objectives of:

- the 2020 Council Recommendation on vocational education and training (VET) for sustainable competitiveness, social fairness and resilience;
- the 2020 Osnabrück Declaration on vocational education and training as an enabler of recovery and just transitions to digital and green economies, with particular reference to the green transition.

The work is in line with the European Green Deal and the European Pillar of Social Rights, as well as Action 6 of the European Skills Agenda, and priorities 2 and 5 of the 2021 Council Resolution on a strategic framework for European cooperation in education and training towards the European Education Area and beyond (2021-2030).
