

02. EC branded standardised websites design

Objective

As defined, [EC branded Standardised websites](#) host thematic content detailing, for example, policies for which the owner DG/Agency is responsible. They are separate technical instances.

Rules

The EC-branded standardised websites use the components of [the Europa Components Library \(ECL\)](#) as this template shows:

Standardised websites template

Standardised site header

Global banner

An official website of the European Union How do you know?

- Item 5
- Item 6

Home > First level > Page title

Standardised page header

META

Page title

The introduction should be as accurate as possible, as users often arrive on a page via a search engine or a link, and will not have the context provided through normal site navigation.

Page body

Site name

This site is managed by the Directorate-General for "DG identification"
