Submission errors in KA220 - Cooperation partnerships application forms for Call 2021, round 1

Should you still not be able to submit your application form after applying below suggestions or encounter any other submission errors in your application form, **please contact your National Agency**.

Do not send an email to DIGIT-WIKIS-SUPPORT@ec.europa.eu.

There are 6 different contexts where a submission error may occur:

Please find here some suggestions on how to fix errors and/or submission issues for **KA220 Cooperation partnerships** application forms:

"Project Results" error

- Access the **Participating Organisations** section in your application form.
- Add one **Partner Organisation**, including an OID. Wait a few seconds for the changes to be saved.
- Then delete the added Partner Organisation. Wait a few seconds for the changes to be saved again.
- Make sure that the rest of the form is as expected, then try to submit again.

"Learning, Teaching, Training Activities" error related to Leading Organisation

- Access the **Learning, Teaching, Training Activities** section in your application form.
- In the **Activities Summary** change the **Leading organisation** for each activity. Wait a few seconds for the changes to be saved.
- Then change the Leading organisation back to its original value. Wait a few seconds for the changes to be saved again.
- Make sure that the rest of the form is as expected, then try to submit again.

"Learning, Teaching, Training Activities" error related to Groups of Participants

- Access the **Learning, Teaching, Training Activities** section in your application form.
- For **each activity**, click on **each group** in the Navigation tree (e.g. Group 1, Group 2) to have all calculations refreshed.
 - If all data in a group is valid, the group will be marked with a green check.
 - If a group still contains invalid data, it will be marked with a red X. Please check the details of such groups and correct any errors accordingly.
- Once all groups are refreshed and valid, make sure that the rest of the form is as expected, then try to submit again.

"Timetable" error related to Leading Organisation

- Access the **Timetable** section in your application form.
- Under **Other Activity Details** change the **Leading organisation** for each activity. Wait a few seconds for the changes to be saved.
- Then change the Leading organisation back to its original value. Wait a few seconds for the changes to be saved again.
- Make sure that the rest of the form is as expected, then try to submit again.

Timetable "End of Period" error in "Transnational Project Meetings"

- Access the **Management** section in your application form.
- Under **Transnational Project Meetings** change the **Starting Period** to another value. Wait a few seconds for the changes to be saved.
- Then change the Starting Period back to its original value. Wait a few second for the changes to be saved and check that the changes in the Timetable section have been applied.
- Make sure that the rest of the form is as expected, then try to submit again.

"ECHE Code: null" error

- Access the **Participating Organisations** section in your application form.
- Refresh all Participating organisations available by clicking on the **Refresh** button for each organisation.
- Try to submit the form again.
