The KA151 Application form

For general information on how to fill in an application form see the page [How to complete the application form](#).

The following sections are available in a **KA151** application form and must be completed before submission:

- **Context** - This section asks for general information about your project proposal and about the National Agency that will receive, assess and decide on selection of your proposal.
- **Applicant Organisation** - This section asks for information about the applicant organisation and about other organisations involved. All organisations included in the application, whether they act as applicant or consortium members, need to be registered in order to receive an Organisation ID.
- **Objectives and activity plan** - This section displays the latest information on your objectives and activities as laid down in your accreditation profile.
- **Activities** - This section asks for information about the mobility activities you plan to organise.
- **EU Values** (as of call 2024) - In this section, you should read and agree to adhere to a set of EU Values for the implementation and evaluation of your project activities.
- **Annexes** - In this section, you will need to attach relevant documents needed for the completion of your application.
- **Checklist** - This section will help you double-check if your application is ready for submission.

Once all sections of your application form are marked as complete, you may **submit** it to your National Agency for assessment.

The following sections are used to manage your application:

- **Sharing** - In this section, you have the possibility to share an application with your colleagues or partners as long as the deadline for submission has not expired.
- **Submission History** - In this section, you will be able to see all submissions of this application form.

Take note

The section **Objectives and activity plan** is read-only. No specific page is available in the wiki for this section.
