

Request second travel grant for obligatory pre-departure training flag

The illustrations in the provided Wiki pages are for consultation purpose only and may not always reflect the latest implementation.

Request second travel grant for obligatory pre-departure training flag

The **Request second travel grant for obligatory pre-departure training** flag, available in the **From-To** section of long-term mobility activities in **KA121-SCH** and **KA122-SCH** projects, can be used to request this type of travel support.

Request second travel grant for obligatory pre-departure training

☐

Once the flag is ticked, the additional fields **Receiving country (pre-departure training)** and **Receiving city (pre-departure training)** become available and must be completed. In addition, the **Distance band (pre-departure training)**, **Real distance in kilometres (pre-departure training)**, **Main means of transport (pre-departure training)** will be displayed and must also be provided.

Sustainable means of transport (green travel) (pre-departure training)

☐

The **Sustainable means of transport (green travel) (pre-departure training)** flag will be displayed if the selected Main means of transport (pre-departure training) is considered sustainable and is read-only. In the case of green travel for the pre-departure training, the **Travel support (pre-departure training)** field will also become available under **Travel Grants**, displaying the calculated travel grant according to the activity type and Distance band (pre-departure training) selected.
