

OS Covered by Erasmus EU funds flag

The illustrations in the provided Wiki pages are for consultation purpose only and may not always reflect the latest implementation.

OS Covered by Erasmus EU funds flag

In KA171 project mobility activities, the **OS Covered by Erasmus + EU funds flag** becomes available in the Budget section of the mobility activity screen, if the mobility activity is flagged as **Zero grant**.

This flag indicates that the mobility activity, even though flagged as Zero grant, is to be considered for funding by the project's EU **Organisational Support funds**.

BUDGET ▾

| Zero grant | OS Covered by Erasmus + EU funds | Travel support * | Individual support grant * |
|-------------------------------------|----------------------------------|------------------|----------------------------|
| <input checked="" type="checkbox"/> | | 0 | 0 |
