

Participant Registration Number

The illustrations in the provided Wiki pages are for consultation purpose only and may not always reflect the latest implementation.

Young people wishing to engage in activities related to the European Solidarity Corps programme need to [register in the European Solidarity Corps portal](#). After successful registration, the young person receives a registration number, the **Participant Registration Number (PRN)** - a unique identification number, made of 10 or 14 digits.

Footnote

When possible, this glossary quotes from the programme guides. The programme guide definitions and explanations precede the definitions based in Erasmus+ and European Solidarity Corps guides. The programme guides' glossary can be downloaded or viewed on line from:

- [Erasmus+ Programme Guide](#)
- [European Solidarity Corps Programme Guide](#)

Glossary entries in this wiki assist the end user to navigate to content on how to perform related tasks in Erasmus+ and European Solidarity Corp Platform and related modules.
