

ECEC

Working Group on Early Childhood Education and Care

This working group supports Member States as they implement the 2019 [Council Recommendation on High-Quality Early Childhood Education and Care Systems](#) and its main component - the European Quality Framework for ECEC.

It mainly supports peer learning based on measuring, monitoring and evaluation of quality, and follows up on the ET 2020 working group, which focused on inclusion, staff professionalisation and the management of the COVID-19 pandemic in the ECEC sector.
