1. Introduction to e-Calls PROSPECT

e-Calls PROSPECT is the electronic system developed by EuropeAid to facilitate the submission of applications for call for proposals.

This manual will help you to apply on-line for a published call for proposals. It gives a functional description of the e-Calls PROSPECT application, i.e. technical features and functionalities and step-by-step procedures for system access and use.

The manual contains all essential information for applicants to make full use of the e-Calls PROSPECT application. Nevertheless, the information it contains is **for guidance only** and does not replace legal documents.

ⓘ   **The Guidelines for Applicants for each specific call are the legally binding document for the corresponding call for proposals**.

If you need additional information on EU contracting procedures for external aid please refer to the Practical Guide (**ePRAG**)**.**
