3.2 Submitting an Application

3.2.1 Searching for a Call

A potential applicant can search for a call for proposal from either the:

- International Partnerships website (previously EuropeAid); or
- Funding and Tender Opportunities Portal (from the 13/03/2023); or
- e-Calls PROSPECT > Call Search

Please note that following a short transition period, the <u>International Partnerships</u> website will **no longer be used for the publication of calls**. Currently, there is **no change for applying for a call**, whether from the International Partnerships or Funding and Tenders Portal websites, as the call publication will redirect the applicant to **complete the application** for the call <u>exactly as before</u> in **e-Calls PROSPECT**.

In e-calls PROSPECT, the call search mechanism is based on several search criteria.

Select the "Calls to apply for" option from the left main menu, and fill in the required criteria to begin your search:

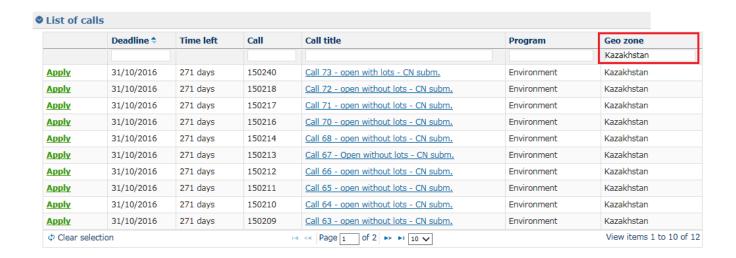

Criterion	Description
Call N°	Enter the reference number of the call (without the lot number).
Call title	Enter the title of the required call
Deadline	You can use this criterion to search for calls whose Concept Note or Full Application deadline is before or after a specific date. Use the drop-down list and the calendar to help the selection.
Program	Select a program from the available list. (Programs are ordered in alphabetical order)
Geographical zone	Select a geographical zone from the available list. (Zones are ordered in alphabetical order)

Click on the "Search" button; the system will refresh the calls list with those that match your search criteria.

Please note that if no criterion is defined, the system will display a list of all the existing calls in the system which are currently in the "Open" status.

Please also note that you can perform a search by using the empty fields on top of the list of calls table (e.g. type the required geographical zone in the field corresponding to the relevant column, and then press "Enter" on your keyboard to filter the values directly.

3.2.2 Creating and filling in a call application

3.2.2.1 Submitting a Concept Note for a Restricted Call

You can only apply for a restricted call if it's status is "Submission ongoing" (open for reviewing concept notes).

List of calls						
	Deadline 🗢	Time left	Call	Call title	Program	Geo zone
Apply	31/10/2016	271 days	150240	Call 73 - open with lots - CN subm.	Environment	Kazakhstan

If you require viewing the call details, click on the title of the respective call. The call as published on the Europa website is displayed in a separate tab.

You may use the "Apply" button to start your application.

Alternatively, in e-Calls PROSPECT, click on the "Apply" link corresponding to the call (for which you wish to apply) in the list displayed according to your search criteria above. If the call has lots, select the required lot.

When you click "Apply", you will be redirected to the Application page (tabs). You may now start to fill in your application.

Please note that if you have already applied for the respective call or lot (if the call has lots), the system will ask whether you wish to continue the initial application, or start a new one.

The application is divided in the following tabs:

- Contact
- Project
- Co-applicants
- Documents
- Overview
- Submit

The tab headers also display the progress of your application:

- Tabs that still need to be filled in are in grey;
- Completed tabs are in green if some of the information provided is not correct, a warning message is displayed, and an exclamation mark is indicated for the tab;
- Tabs where some of the information is missing, an error message is displayed, and the tab is marked in red.

To move from one tab to the new another, simply click on the relevant heading. Once you have completed a tab, click on the "Save and continue" button at the bottom of the tab.

All mandatory fields are marked with an asterisk (*).

3.2.2.1.1 Contact tab

Please note that you do not necessary need an EuropeAid ID (a unique identifier with the Commission) to apply for a call. But, **in order to be awarded a contract**, **you must have an EuropeAid ID**. To check if your organisation has a EuropeAid ID, please go to the **e-Calls PADOR** webpage.

You must therefore have either a valid EuropeAid ID, or a completed EuropeAid offline registration form.

Select whether you have a EuropeAid ID by clicking on the corresponding radio button:

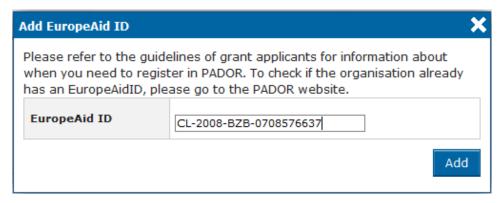

1. If you have an EuropeAid ID (for ACT/FPA calls), an "Add EuropAid ID" button will be displayed, allowing you to enter it.

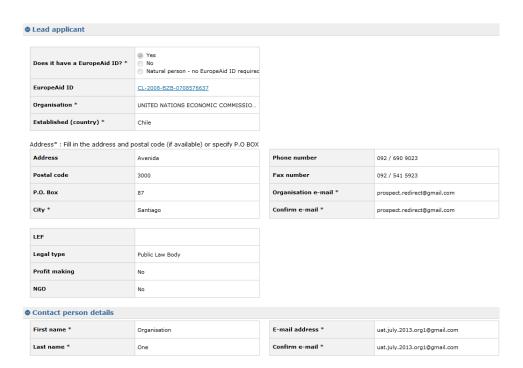

Click on the "Add EuropeAid ID" button. A pop-up window will display.

Type in your EuropeAid ID, and then click on the "Add" button.

If the ID is valid, the system will automatically display all the details of your organisation in the "Contact" tab.

Please remember that when you add the EuropeAid ID, all the users that are in the users list of the respective organisation will be by default able to view this application. A confirmation message is displayed in this respect.

2. If you do not have an EuropeAid ID, the EuropeAid offline registration form is compulsory. The system will allow you to upload it and enter the details of your organisation manually.

The same applies if you are a natural person.

In the "Co-applicants" tab, please enter any co-applicants or affiliated entities that you might have in the project.

You must refer to the call Guidelines, for a definition of co-applicants and affiliated entities, and for more information on call specific requirements regarding this section.

If the action does not involve co-applicants and affiliated entities, you may continue to the next tab of your application.

Or, if you are required to add a new co-applicant/affiliated entity, click on the corresponding "Add" button.

The following information is required:

- · EuropeAid ID (to check if the organisation already has an EuropeAid ID, please connect to the e-Calls PADOR); or
- Organisation name and country where it is established.

Please refer to Chapter 3.2.2.1.1 - Contact tab above for more information on how to fill in these fields.

3.2.2.1.4 Documents tab

Use the "Documents" tab to attach the required documents for your application.

When you first create your application, it is <u>mandatory</u> to attach the Concept Note of your project, <u>and</u> the Signed Declaration or Mandates (depending on the case).

When a signature is required (only for the declaration of confidentiality), please note that the standard procedure is that you print the documents, sign them, and then submit (upload) a scanned version of these documents. There must be a scan of a real signature.

Click on the "upload" icon

to browse for the file on your computer, and then attach the documents.

The following document formats are accepted: Word (.doc & .docx), Excel (.xls and .xlsx), PowerPoint (.ppt and .pptx), PDF (.pdf), RTF (.rtf), JPEG (.jpg and .jpeg), text (.txt), TIFF (.tif and .tiff) and ZIP.

ZIP files can also only contain these above file types (except for another ZIP). The maximum file size allowed is 10MB.

You must refer to the call specific guidelines for information about the required documents. The templates of these documents are available for download from the call publication on either the International Partnerships website (previously EuropeAid), Funding and Tender Opportunities Portal, or on the EuropeAid offline registration form.

The call publication can also be accessed by clicking on the **title** of the call in e-Calls PROSPECT – the system will automatically redirect you to the relevant webpage, containing a list of documents for the particular call.

3.2.2.1.5 Overview tab

In the "Overview" tab, you can see the overview of your application.

At this stage, information can still be modified by navigating to the other corresponding tabs.

3.2.2.1.6 Submit tab

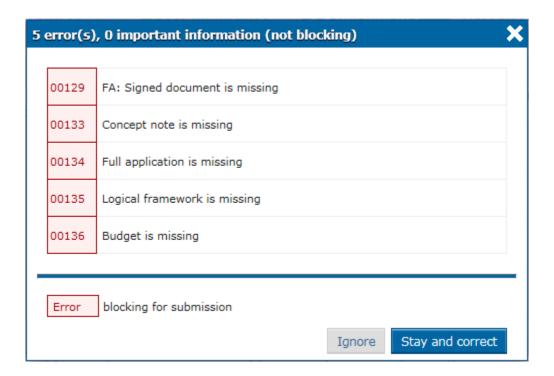

Submit your application by clicking on the "Submit" button. Do not forget to tick the box "I have read and accepted the terms and conditions" before submitting your application.

Please remember that you cannot make changes to your application once it has been submitted.

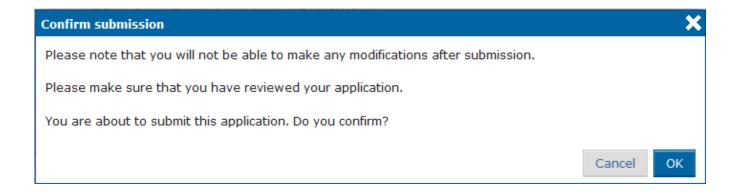

Errors and/or warnings are displayed if mandatory information has **not** been provided.

You may choose to ignore the warnings or to correct them.

If $\underline{\text{errors}}$ are displayed in $\underline{\text{red}}$, you will be blocked with the submission until you have corrected them.

Once the information has been verified and/or corrected, you may confirm the submission of your application.

You will be notified that the submission is accepted:

3.2.2.2 Submitting a Full Application for a Restricted Call

If your Concept Note (CN) is pre-selected, you will be invited to submit a Full Application (FA).

The lead applicants will be informed in writing of the Contracting Authority's decision concerning their application. This letter will be sent by e-mail and will appear online automatically in the e-Calls PROSPECT profile of the user who submitted the application. The user who submitted the application must check regularly their e-Calls PROSPECT profile, taking into account the indicative timetable of the call. Lead applicants who, in exceptional cases (see section 2.2 of the Guidelines for grant applicants), had to submit their application by post or hand-delivery, will be informed by email or by post if they did not provide any e-mail address. The Contracting Authority cannot be held responsible for non-delivered emails due to issues with the reliability of e-mail providers.

In the e-Calls PROSPECT, go to "My Applications", and then click on the title of your application in order to fill in the requested fields.

The reference number of the application for which you are requested to send a FA is mentioned in your CN acceptance letter.

The flow of updating the application form is similar to the one for submitting a CN – see details in Chapter 3.2.2.1 - Submitting a Concept Note for a Restricted Call above.

At this point you have to upload the EuropeAid Offline Registration Form in the "Contact" or "Co-applicants" tab – if the applicant, as the co-applicant(s) and/or the affiliated entity(ies) do not already have a EuropeAid ID, or if they did not already upload them when submitting the CN.

The "Project" tab will be adapted automatically:

© Details of the action	
Title of the action *	Education in rural areas

Estimated total budget of the action *	500.000 EUR
Requested EU contribution (amount) *	350.000 EUR
