This can only be performed if the end date of the mobility has passed.

The screenshot shows the 'Mobility tool' interface for the European Commission. The header includes the European Commission logo and the text 'EAC Directorate-General for Education and Culture'. The main navigation bar contains links for Project 2015-1-NL01-KA103-008626, Details, Dashboard, Organisations, Contacts, Mobilities, Mobility Import - Export, Budget, and Reports. The 'Mobilities' section is active, showing a search bar with 'Search in 452 records' and a '+ Create' button. Below the search bar, there are tabs for 'selection' (3), 'export', and 'bulk operations'. The 'bulk operations' tab is selected, showing 'Bulk operations on 2 records: Delete' and a red-bordered button labeled 'Re-Send Participant Report Requests'. A table below lists participants with columns: Participant First Name, Participant Last Name, Participant Email, Activity Type, Mobility ID, Sending Country, Receiving Country, Start Date, End Date, Eligible Mobility, Report Status, Requested On, and Received On. The table contains four rows of data, all with 'Requested' status and '31/12/2015' as the 'Requested On' date.

5. A confirmation message will be displayed

A confirmation message will be displayed to confirm that the request of resending has been performed. After the resending is performed the dates of **Requested On** will be updated. The resending of the email cannot be repeated within 24 hours of the last request. If the email address is incorrect or the email sending is failed, the report status will be updated to **Undelivered**.
