There may be minor changes to the screen appearance and layout which are described on the updated page: [How to complete the application form](#).

The **Accreditation** section of the application form requests you to specify the Organisation ID (OID) of your organisation.

Your organisation must hold a valid [Accreditation](#) for the concerned field (SCH, VET or ADU) or already have submitted the relevant accreditation application form ([KA120](#)).

Our example below shows how to complete the accreditation section using a **Mobility for staff of accredited organisations in school education (KA121-SCH)** application form.

Take note

Questions or fields may vary depending on the **action** you apply for. Please read the onscreen information carefully to complete the relevant fields and sections.

This page is relevant for:

- **Erasmus+ Call year 2024**
 - KA121-SCH - Accredited projects for mobility of learners and staff in school education
 - KA121-VET - Accredited projects for mobility of learners and staff in vocational education and training
 - KA121-ADU - Accredited projects for mobility of learners and staff in adult education

Before you start
