The **Online Language Support** (OLS) supports language learning for Erasmus+ and European Solidarity Corps participants of eligible mobility activities. The OLS offers participants the opportunity to assess their skills in the foreign language(s) they will use to study, work or volunteer abroad. In addition, selected participants may follow an online language course to improve their competence.

OLS Support

Consult the **OLS FAQ / OLS assistance** first, which can be found via the **Help Centre**. The link to the Help Centre is available on the bottom of the EU Academy page.

1. Scroll down on the EU Academy webpage and click the **Help centre** link.

2. Click on the **OLS assistance** link.

OLS Community Manager Support

OLS community managers are also available to help participants of Erasmus+ and European Solidarity Corps activities. Below are the instructions for participants on how to contact the OLS community managers:

1. Visit OLS platform on EU Academy by clicking on the link you have received by email.
2. Create an account/login to the EU Academy platform by using **EU Login**. Please note you must use the same email address to which the email was sent to.
3. Choose the language community of your chosen OLS language.
4. Community managers can then be contacted to assist with any specific questions.
