

Exceptional cost for visa and other entry requirements

This cost item is applicable to Erasmus+ KA121/KA122 (call 2022 onward) and KA182 (call 2023 onward) projects, in both individual [mobility activities](#) (From/To section) and/or [group activities](#) (Participants section), as applicable.

To request a grant to cover **Exceptional cost for visa and other entry requirements**, tick the relevant box (1). Then type the **Real cost** (2) in the relevant field. The **Exceptional cost for visa and other entry requirements - grant** is calculated automatically as 100% of the real cost.

You must also fill in the additional field **Exceptional cost for visa and other entry requirements - description and justification** (3), which becomes available as soon as the real cost provided is higher than 0.
