The KA130 Application form

For general information on how to fill in an application form see the page **How to complete the application form**.

The following sections are available in a **KA130** application form and must be completed before submission:

- **Context** - This section asks for general information about your project proposal and about the National Agency that will receive, assess and decide on selection of your proposal.
- **Consortum Summary** - This section asks for a summary of your mobility consortium. In this section you can also add a title for your consortium, which will be displayed in your KA131 and/or KA171 applications.
- **Participating organisations** - This section asks for information about the applicant organisation and about the consortium members. All organisations included in the application, whether they act as applicant or consortium members, need to be registered in order to receive an Organisation ID.
- **Consortium description** - In this section you should present your organisation and answer the question: "Who are you as an organisation?". This is a very important section.
- **Follow up** - In this section you need to define the objectives your organisation wants to achieve by implementing Key Action 1 mobility activities. Your objectives should be concrete, realistic, and should represent a real benefit for your organisation(s).
- **EU Values** (as of call 2024) - In this section, you should read and agree to adhere to a set of EU Values for the implementation and evaluation of your project activities.
- **Annexes** - In this section, you will need to attach relevant documents needed for the completion of your application.
- **Checklist** - This section will help you double-check if your application is ready for submission.

Once all sections of your application form are marked as complete, you may **submit** it to your National Agency for assessment.

The following sections are used to manage your application:

- **Sharing** - In this section, you have the possibility to share an application with your colleagues or partners as long as the deadline for submission has not expired.
- **Submission History** - In this section, you will be able to see all submissions of this application form.
