

Individual support - grant not required flag

Individual support - grant not required flag

In Beneficiary module, when adding or updating mobility activities in your project, the **Individual support - grant not required** flag indicates that, for a mobility activity, this type of support grant is not required. The availability of the flag depends on the action type of your project and/or the activity type of the mobility activity.

Once the flag is ticked, the related **Individual Support** grant is set to 0 EUR.
