About the tool

Mobility Tool+ is the system for the management of Mobility and/or Partnerships projects that received an EU grant under the Erasmus+ Programme.
If you belong to a Beneficiary Organisation or to a Partner Organisation in a Strategic Partnership for schools only, you will be able to provide all the information on your projects: identify participants, complete and update budget information, generate and follow-up participant reports and generate and submit your reports to your National Agency. You will also be allowed to grant permissions to change or view the project's content to your Partner Organisations.
If you belong to a Partner Organisation in a KA1/KA3 mobility project or in a KA2 Strategic Partnership (other than schools-only), you may be granted permissions to change or view the project's content by the project's Beneficiary Organisation. Please contact your Beneficiary Organisation accordingly.

Menu variations for KA1, KA3, KA2 and European Solidarity Corps projects

Explanation and illustration

The project tabs are different for KA1/KA3 and KA2 projects.

KA1/KA3 projects include specific tabs for managing **Mobilities**. The pages under [MT+ Manage KA1 and KA3 mobilities](#) provides details on those features.

Mobility projects under KA1 and KA3 display the tabs **Organisations**, **Contacts**, **Mobilities**, **Mobility Import-Export**, **Budget** and **Reports**.

The **Inclusion** tab will be visible for KA1 and KA3 projects from 2019 onwards.

KA103, KA107, KA102 and KA116 projects will additionally display the **Dashboard** tab.

KA109 projects only display the **Details**, **Organisations**, **Contacts** and **Reports** tabs.

KA2 projects display separate tabs for **activities** and **management** options. The pages under [MT+ Project Outline for KA2 projects](#) provide details on those features.

The information under **Project Main Objective** in the project details screen for KA2 Strategic Partnerships projects (Call year 2016 onward) indicates the main project objective: **Exchanges of Practices** or **Innovation**.

Projects with the main objective **Exchange of Practices** will not display the tabs **Intellectual Outputs** and **Multiplier Events**. These tabs are only available for projects with the main objective **Innovation**.

From the Project **Details** screen you have easy access to the project tabs, such as **Organisations**, **Contacts**, **Project Management and Implementation**, **Transnational Project Meetings**, **Intellectual Outputs**, **Multiplier Events**, **Learning Teaching and Training Activities**, **Special Costs**, **Budget** and **Reports**.

As of October 2019, organisations wishing to participate in Erasmus+ actions managed by National Agencies must have an Organisation ID. This replaces the Participant Identification Code (PIC). For organisations that have already participated in Erasmus+ and European Solidarity Corps actions managed by a National Agency, we have already assigned your organisation an Organisation ID. To find your Organisation ID or the Organisation ID of your partners in the Erasmus+ and European Solidarity Corps platform, or to register new organisations, please click here: <https://webgate.ec.europa.eu/erasmus-esc/organisation-registration>
